

Leading Together Coaching

Sharper clarity. Stronger collaboration. Lasting resilience.

Sandy Hennum **Naomi Carlson**

Hi, we are the founders and architects of **Leading Together**, a *flexible coaching system that guides one clear step each week without adding noise.*

You are empowered through:

- Self-leadership and clarity
- Collaboration and shared language
- Practical habits and tools
- Curated space to reset and refocus

How this turns into action: Each experience gives you one clear step to implement. Choose from the menu below to keep progress simple and repeatable.

Menu of Experiences

90-Minute Reset

- Quick reset and shared language
- One actionable habit for immediate impact
- Builds momentum without overwhelming schedules

Best for teams new to Leading Together Framework or needing a jumpstart today

Workshop Series

- Step by step practice of the LEADS Framework
- Space for reflection, accountability, and growth
- Creates a rhythm of learning and sustained change

Best for teams ready for deeper development over time

Self-Guided Resources

- DIY kits and reflection guide
- Flexible entry point for individuals or small groups
- Allows leaders to explore at their own pace

Best for teams testing fit before committing to live sessions or more in-depth engagement

1-2 Day Retreats

- Extended time for renewal and strategic planning
- Personalized action plans and team alignment
- Provides breakthrough clarity and renewed energy

Best for teams looking to reset culture or vision

**We Invite YOU to
Be Curious!**

- Pick the tool that fits your context
- Start small or dive deep
- Every option strengthens clarity, collaboration, and resilience in ways that last
